APRIL 15th LAST TUITION PAYMENT for the academic year!

As usual, the school year has flown by. We are beginning to wrap up our academic year contracts and it's time to account for those checks you wrote that weren't quite the right amount! Folks "round up" and "round down", so we use the April 15th final tuition payment to even up and complete your contract payments. If our records show that your April 15th payment should be different, then you will have received an 'even up' letter.
