2017-2018 ENROLLMENT FEE and Form Due Friday

Enrollment fee and form are due back this FRIDAY! Please claim your spot by then as we have waiting lists for some of our programs. We are thrilled with our enrollment for next year.

JANUARY GYM SHORTS:

On Monday's in January, the Thompson Room was divided into two circuits. With different kinds of equipment in each area, the children worked on various skills--handstands, V-sits, bear walks, duck walks, frog jumps and balance beams. There were opportunities to toss beanbags and hoops at targets, and use milk jugs that have been trimmed, for tossing and catching beanbags.

The Red Room practiced jumping with two feet together (bunny hops), balancing on one foot and hopping on one foot. Students in the Green and Blue Rooms continued practicing those skills as well as forward rolls. They are reminded to, "Reach to the sky. Touch the floor. Look at your belly button (tuck!), and then roll." The four and five year olds also played Broom Hockey!
