## **AUCTION & TRIVIA NIGHT...APRIL 1st**

We are on our way to reaching our goal of 180 people attending the Auction and Trivia Night April 1st at Shrewsbury City Center. If you haven't turned in your reservation please do so as soon as possible. Singles, couples, friends, family and neighbors are all welcome to attend this fun event. The Lab School depends on your participation in our biggest fund raiser of the year! Hope to see you there!

## **GARDEN PLANS**

We will be starting our Lab School garden in the box by the playground gate. The children will participate in preparing the ground. We hope to harvest items before the end of school. Children will taste the harvested items during snack in May. Classrooms will also be starting some seeds inside. These will either be transplanted into our outside garden or sent home.
