

## THE LAB SCHOOL NEWS

November 2, 2016

### November fun means FEAST day!

November 16th the children will be preparing Thanksgiving Feast Day fare that will be eaten on November 17th. Our menu includes: turkey, cornbread, apple sauce, and pumpkin pudding squares. This is an amazing opportunity for children to construct personal knowledge about nutrition and food preparation. On the 16th the children will be involved in peeling and coring apples, washing the turkey and following the recipes for pumpkin pudding squares and cornbread. The Feast preparation and eating days are events that take place during the regular school day. We will be taking pictures and posting them in the hallway for parents to enjoy.

We are asking for your participation by bringing the following food items into school by Tuesday, 15th to be used in our preparation.

- \*Red Class children please bring in TWO Granny Smith Apple
- \*Green Class please sign up for cornbread ingredients
- \*Blue Class please sign up for Pudding ingredients

### Parent-Teacher Conferences

Thanks so much to all of you who were able to make it to conferences. We certainly enjoyed talking with you, and hope you felt that the time was well spent.

### School closing policy-Inclement weather

It doesn't seem possible that winter is almost here but....just a reminder, we follow the Kirkwood R-7 school notification for closure. If Kirkwood is closed, The Lab School will also be closed. We do not post our name on the TV or Radio.

### Happy November Birthdays!!

Crosby J.	1st	Maggie M.	17th
