***** We are in school on Tuesday the 31st. Please do not send your child in his/her costume that day. Thanks.*****

THANK YOU for remembering to have your child wash his/her hands before entering the classroom everyday! Please be sure to tell anyone who is dropping your child off in the morning about our hand washing routine. This helps to prevent the spread of illness.

GYM "SHORTS": September and October Gross Motor Activities

We began September with a number of beanbag and whole group activities to teach the children basic gymnastics positions, and allow Ms. Jan opportunity to learn or re-learn everyone's name! Other basic skills included balancing, hopping, bunny hops, frog jumps, leaping, jumping forward and backward and practicing forward rolls. We had a number of relays to practice the various jumps, running and "riding" a broomstick like a horse.

The end of October brought Halloween activities. We practiced throwing and catching scarves (our "Ghost Buddies) and played Witchie (Simon) Says. We practiced Monster/Mummy (jumping) Jacks and played catch with a stuffed pumpkin. October relays included running and carrying pumpkins and using brooms

to move pumpkins like hockey pucks. We rode our Witchie Broomsticks, and carried a stuffed pumpkin on our tummies while doing a "crab walk."

IMPORTANT DATES:

October 26th- Full Day Children Only (Yellow Class)/no part-day preschool or Lunch Bunch

October 27th- School is CLOSED
