

THE LAB SCHOOL NEWS

September 13, 2017

Buzz Books: School-wide Buzz Books will be going home this week. Buzz Books have contact information for families, teachers, Friends of The Lab School Board members and TLS Board members. The front cover has the preschool's tax id. Please only use this information for school business.

Back to School Picnic: Bring your picnic basket, lawn chairs and blanket for the Picnic on Thursday, September 14 from 5:00-7:00 p.m. We will gather in the field behind the school to eat. The playground will be open for play and the Friends of The Lab School (FOTLS) will provide a dessert. (Rain date is September 21st)

In addition to picnic fun, we will be decorating the float for the Green Tree Parade. We are accepting lottery tickets (one per family) for families that would like to ride on the float in the parade. Forms are available in the hallway. 15 people may ride on the float. Tickets will be drawn at 6:30p.m. at the Picnic. (You don't need to be present to be chosen.)

For safety purposes during the Picnic, please do not allow your child to climb on the backstop in the field and please do supervise your child on the playground. We want to have a safe and fun evening. Hope to see you there!

Tuition is due September 15th:

Tuition is gratefully being accepted in the office. Tuition payments are due the 15th of each month, August through April. We attend school

September through May. If you have any questions please stop by or call the office at 822-8282.

Green Tree Parade: Saturday, September 16th. The parade begins at 10:00a.m. and follows a route from Essex (at the High School) to south on Kirkwood Road and west on Argonne (to Kirkwood Park.) We will only be allowed to have the families whose names are drawn in the lottery riding on the float. (No walkers are allowed.) Please turn out to watch the parade and cheer us on!

Parent Lending Library: We maintain a Parent Lending Library in the hallway. Please feel free to browse through our selection. If you would like to borrow a book please bring it to the office before taking it. If you are concerned about child guidance and discipline, we always recommend the book "Parenting with Love and Logic". Love and Logic classes are often offered through Parents As Teachers. See also <https://www.loveandlogic.com/> for more information.
