

THE LAB SCHOOL NEWS

September 20, 2017

Back to School Picnic: We had a good time at the school picnic on the 14th! Thanks to Heather Thomasson and Diana McCoy for organizing the picnic and bringing the yummy dessert!

Green Tree Parade: Thanks to everyone who volunteered to help decorate the "Under The Sea" float for the Green Tree Parade. The Hobler family, Conway family and Tutskey family represented the school by riding on the float dressed in beach gear. Special thanks goes to Sarah Hobler who chaired the Green Tree Parade committee. See attached photos!

Tuition checks or money: All tuition and money should be turned into the office. The classroom teachers are not supposed to accept any payments. September tuition was due the 15th.

WELCOME SIGN RETURN: If you received a yard sign before school started, we hope you have enjoyed it! Please return your sign to the office.

UPCOMING IMPORTANT DATES:

October 3: Friends of The Lab School Meeting 7:00 p.m. All parents are invited to come and to find out about volunteer opportunities and meet other parents. Get involved!!

Parent Article: "The Benefits of Using Music with Young Children"
by Gari Stein

The Lab School provides Music and Movement classes on Thursdays. Each preschool class spends 30 minutes with Ms. Debby in the Thompson Room. Besides listening and learning about good music, Ms. Debby also works on rhythm, musical vocabulary and notation. We think she's wonderful!! ***Mark your calendar NOW for the Spring Sing, April 19th. Each class will sing for parents during morning school. ***
