

THE LAB SCHOOL NEWS

September 21, 2016

Back to School Picnic: We had a good time at the school picnic on the 15th despite the rain! Thanks to Heather Thomasson and Diana McCoy for organizing the picnic and bringing the yummy dessert!

Class Pictures:

Class pictures will be taken on Tuesday, September 27th, for all morning and afternoon classes and Wednesday, September 28th, for the M,W,F Red Room (Red Room 5 day children will be in both class photos). This is a group photo of everyone in your child's class, including teachers, and not individual pictures of each student. Regular school clothes are fine to wear. The color photo is 5x7. Sorry there is no retake day. Pictures are \$8.00 each. Please fill out the form and return it to the office with your check made out to: Friends of The Lab School. We do not order extra pictures, so please be sure to order the correct number of copies. Your order form and money are due no later than the picture-taking day. Smile and say, "Cheese!"

Tuition checks or money: **Please turn all tuition into the office and not to the classrooms.** Thanks for your cooperation!

*****Parking:** Please do not park in the handicap parking spaces or drive through (fire lane) area.***

Spirit Wear: After the Spirit Wear order arrives, we will pick a "Wear your Spirit Wear" day to celebrate our school spirit!

NEW PARENT RESOURCE BOOKS!

We've just added 5 new parent resource books to the Parent Library (across from the office). The new books series is "What Every Parent Needs to Know" and is published by the American Association of Pediatrics. The topics are Nutrition, Sleep, Allergies and Asthma, ADHD, Autism.

We are thankful to an anonymous donor who has donated money towards resource and children's library books.

September 27, 28: Class Pictures

Parent Article: "The Benefits of Using Music with Young Children"
by Gari Stein

<http://www.songsforteaching.com/teachingtips/benefitsofmusicwithyoungchildren.htm>

The Lab School provides Music and Movement classes on Thursdays. Each preschool class spends 30 minutes with Ms. Debby in the Thompson Room. Besides listening and learning about good music, Ms. Debby also works on rhythm, musical vocabulary and notation. We think she's wonderful!!
